HARVEST FESTIVAL

Written by Moani Greer, President

After a hiatus due to the pandemic, Pony Express Elementary School's annual Harvest Festival returned on Friday, October 28, 2022. Like many longtime parents at Pony Express, I have always enjoyed the Harvest Festival. This Harvest Festival showed the school spirit of our Pony Express community.

Life in a post-pandemic world has changed, but it is important that we remember our teachers who made this event possible. Our teachers returned the Harvest Festival to its pre-pandemic glory, providing fun-filled games and delicious snacks and food for our families. Thank you to all our teachers!

Also, thank you to all the many PTA members and high school volunteers who helped make this event special.

We must remember that teamwork is what makes Pony Express such a great school!

PROMOTING SCHOOL SPIRIT

One of the Pony Express PTA's goals for this school year is to promote and build school spirit. School spirit creates an environment where every student can be encouraged and included. There are many ways to display and boost school spirit, such as spirit clothing. Through November 30, 2022, the PTA is selling printed school logo t-shirts and hoodies for adults and youths. All November pre-sales receive a 10% discount. After November 30, parents can still purchase school merchandise at full price on specified dates, including the December PTA meeting. More information to be provided.

Another way to show school spirit is to promote the Pony Express Band. The PTA will be providing t-shirts at no charge to the Pony Express Band. The PTA is also selling printed band logo t-shirts and hoodies for adults and youths. All November pre-sales receive a 10% discount.
